

## Stayin' Alive: Northern Jaguar Redux

Well, you can tell by the way I wear my spots,  
I'm a jaguar cat, who needs to roam a lot  
Roarin' loud in jungles warm  
I've been hunted down since I was born  
And now I'm all right, I'm O.K.  
But please don't look the other way  
You got to try and understand  
We jaguar cats need roamin' land  
Whether you're a brother  
Or whether you're another,  
You're stayin' alive, stayin' alive  
Feel the trees a breakin'  
And see the over grazin'  
And we're stayin' alive, stayin' alive  
Ah, ha, ha, ha,  
Stayin' alive  
Stayin' alive  
Ah, ha, ha, ha,  
Stayin' a-l-i-i-i-ive

Well now, we need the birds, the fish and snakes  
And we gotta have the frogs, for goodness sakes  
Need the wings of insects on my feet  
I'm a travelling cat and I can't be beat  
You know it's all right, it's O.K.  
We'll live to see another day  
If you try to understand  
All living things need roamin' land  
Whether you're a brother  
Or whether you're another,  
You're stayin' alive, stayin' alive  
Feel the trees a breakin'  
And hear the cows we're makin'  
And we're stayin' alive, stayin' alive  
Ah, ha, ha, ha,  
Stayin' alive  
Stayin' alive  
Ah, ha, ha, ha,  
Stayin' alive

I'm goin' somewhere  
Somebody help me  
Goin' to Arizona, yeah  
Need to go somewhere  
In Arizona, yeah  
Stayin' a-l-i-i-i-ive
